Thanks to all who donated money, food and toys at our annual Holiday Celebration meeting in December. As you can see above, a few more kids are going to have a nicer Christmas!

The Prez Sez

I hope you all had a very Merry Christmas and a Happy New Year!

As has been our custom for many years, there will be no General Meeting in January. We want to see all of you at the annual banquet on Sunday, January 21, at Mancini's Char House in St Paul. The registration form was in the last Rumble Sheet, and you still have time to join in the fun. Tom Halfpenny and Tim Anderson have a great program set up.

Thanks to Jerry Felton, Dennis Carney and Vern Halvorson for leading us in the games and song for our annual Christmas meeting. Thanks also, to everyone who brought cookies, bars and cider for snacks, and for the contributions to the Minnesota Food Share and Toys for Tots. Kent Tabako delivered the toys to the drop-off spot and Bill Blood took the food donations to the food share site. A job well done by everyone. I am sure several families had a great holiday season because of your generosity.

Remember, one of our primary fund raising events of the year is the security shift we provide at the "World of Wheels" show on February 3, 2007. Call Bruce Nelson at 651-482-8940 to get on the work schedule. We also have a TCRG display at this show and we need people to "man the booth" for part of each day, Friday, Saturday and Sunday to promote the club. It is a lot of fun talking to the many people who stop to enjoy our cars.

Call Tom Halfpenny at 651-738-0838 to get on the work schedule for this part of the show. Even if your car is not there, we need your help.

See you at the banquet!

- **New Meeting Location:** Please be aware that our usual meeting location is changing. It will still be Environments, Inc., however it will be at the South Campus on Rt 62, about a quarter mile away. See the Activities section for the address and directions for the Feb. meeting.
- **Local Business Feature:** On page 9, I featured J. Mac's Autos. No, I don't owe BJ any money! It's just an idea I had to feature a local business once in awhile that might interest members. Feel free to offer any suggestions of places TCRG members might want to visit.
- **TCRG Annual Banquet:** Time is running out! The deadline for reservations is January 12th. Contact Tom Halfpenny at 651-738-0838 or email tmhalfpenny@msn.com.

Keep Smilin'

Couple in their nineties are both having problems remembering things. During a checkup, the doctor tells them that they're physically okay, but they might want to start writing things down to help them remember. Later that night, while watching TV, the old man gets up from his chair. "Want anything while I'm in the kitchen?" he asks.

"Will you get me a bowl of ice cream?"

"Sure."

"Don't you think you should write it down so you can remember it?"

"No, I can remember it."

"Well, I'd like some strawberries on top, too. Maybe you should write it down, so's not to forget it?"

He says, "I can remember that. You want a bowl of ice cream with strawberries."

"I'd also like whipped cream. I'm certain you'll forget that, write it down?" she asks.

Irritated, he says, "I don't need to write it down, I can remember it! Ice cream with strawberries and whipped cream - I got it, for goodness sake!"

Then he toddles into the kitchen. After about 20 minutes, the old man returns from the kitchen and hands his wife a plate of bacon and eggs.

She stares at the plate for a moment. "Where's my toast?"

NATIONAL WEBSITE UPDATE

Have you visited the national website lately? Many improvements have been made that provide for member contributions. One of the areas is the Picture Gallery, where you can send in a favorite picture of your V-8. So far, Ron Long and I have submitted one, and it would be great to have more. Its really easy, just follow the directions under "Contribute" to send an digital picture. Ed

WORLD OF WHEELS

TCRG Club Display

It's hard to believe but the World of Wheels car show is just over a month away! At the time I wrote this article, we don't even have one snow flake on the ground! And it seems like yesterday we put the cars away "for a cold winters night".

A big "Thanks" to the following club members who plan to show their vehicles at the World of Wheels show

Jeff Casura	1946 Ford
Dennis Carney	1950 Ford (not a '49 or a Plymouth)
Bill Gillies	1948 Mercury
Ron Christensen	1947 Ford
Jerry Felton	1939 Ford chassis
Gary Rosenberger	1951 Mercury

We could use a little praying support for non-sloppy weather. Tom Halfpenny

Security Detail

Once again we have been asked to work this show. Now that it is back in Saint Paul, we are again taking tickets, checking the exhibitors, watching doors, and providing all night security.

This is an opportunity to make a lot of money, for just a day's work. We will need 12 people per 4 hour shift. You can work more than one shift if you like, just sign up one name per line. (shifts are 10 am to 2 pm, 2 pm to 6 pm, and 6 pm to 10:30 pm)

We will also need some nocturnal beings – people that can stay up all night long Friday night into Saturday morning, and

Saturday night into Sunday morning. (Friday is taken, but 10 pm Saturday to 8 am Sunday still available)

Each volunteer will get a 3 day pass to the show (a \$36 value); so that you are guaranteed time to see it all. The swap meet is back again along with the antique toy show.

Once again you can bring a small cooler. We will try and make it so that you will be rotated around the arenas (both floors), so that you don't spend all shift in one place.

This is a great way to help the Club, and also think 'cars' in the middle of winter.

For more information, or to sign up contact Bruce Nelson (651-482-8940) or Mark Crichton (612-801-3620) Sign up sheet will be at the Banquet. Bruce Nelson

On behalf of the Scholarship Committee

The 2007 Silent Auction Committee for the Central National Meet is soliciting items from TCRG members. If you have a special talent for making items, creative projects, or want to help, we want to hear from you. These items can be personally made, such as quilts, hand painted pottery, or you can put together a special basket with items that you think others will like.

Our goal is to have some very nice quality items, and we know that some of you have expressed an interest in doing something, so here is your opportunity. These items will be part of the Silent Auction of about 80 or so items that we hope to acquire from all sources.

Please contact Pat or Jill Minor at 763-427-8986 about what you would like to contribute. Remember, it's a fund raiser during the Meet to help offset event costs. We appreciate your willingness to help out!

Plans for the Great River Rendezvous are progressing very well. Registrations continue to flow in. In fact, response has been so good, the Rendezvous Committee decided to book a second night for the river boat cruise. We will now have a dinner cruise for *either* Tuesday or Wednesday evening, which should also make it easier for the local restaurant night, since it too will be split between the two nights.

We have more good news! The team met in December with Harvey and Faythe Oberg representing the Lincoln Zephyr Club, we have arranged for a dual Concourse! Lincoln Zephyr club members that are also EFV8CA members will have an opportunity to be judged by both clubs if they choose to register for both Meets.

The LZ/EFV8CA club members can also join us for other events (such as the boat cruise) but it does not affect our host hotel accommodations in any way. The Rendezvous Meet will likely have the highest percentage of Lincoln attendees in EFV8CA National Meet history. It should be very unique and exciting!

Above is a "sneak peek" of our color ad that will appear in the next V8 Times. The ad was created by Ron Long, and should go a long way toward generating interest for the Meet. We are very fortunate to have Ron's creativity and energy. Thanks again Ron!

J . M A C ' S A U T O S

Over the Holidays, Jan and I had a chance to visit J. Mac's Autos in Long Lake. As many of you remember, BJ and John McArdell's business for many years was down on Lake Street in Minneapolis. However, there was a perception that the area was not very safe to visit. Recently however, BJ and John moved their showroom to Long Lake. As we drove over, we realized the new location provides a wonderful tour opportunity for our club, or a casual drive on your own, classic or modern.

Long Lake is just west of Wayzata, and J. Mac's is virtually 100 yards off St Rt 12, easy to find. I added a couple pictures to show you how cool the place is. The area also offers plenty to do and see, including a variety of restaurants, Lake Minnetonka, and miles of "non-freeway" roads to cruise on.

Below is some info I pulled from J. Mac's website www.jmacsautos.com/

J. Mac's Autos, located in Long Lake, MN is a dealer in Classic and Collector cars, specializing in 1932 - 1957 Fords and Mercury vehicles. Our cars are on display surrounded by classic car memorabilia and signs. Stop by for a trip down memory lane and find the classic you always wanted to own.
